The mission of the Humane Society of Huron Valley is to support the loving, responsible care of all animals in our community.

HSHV serves all of Washtenaw County, providing:

- Food, shelter and care for stray and unwanted animals
- Adoption of companion animals
- Full service veterinary clinic, including low-cost spay & neuter services
- 24-hour rescue of injured animals
- Cruelty investigations
- Microchip ID
- Owner-requested euthanasia
- Harbor program
- Community outreach and education
- Behavior Helpline

A New Beginning

Coco and Dozer

In late August of 2006, Coco and Dozer were brought in to HSHV by their owner. Unfortunately the family had fallen on hard times with medical and financial problems. It was a difficult choice, but they relinquished ownership of their two dogs to HSHV. It was obvious to everyone at the shelter that these dogs had been loved.

The pair quickly became staff favorites. Friendly and mellow, Dozer and Coco spent much time in the Adoption Center; and everyone hoped the pair would find a new loving home… together. Unfortunately, Dozer was diagnosed with heartworm. The HSHV clinic began the treatment process and our devoted Director of Volunteers fostered him at her own home. Coco was adopted, alone, but returned within a few days. That must have been fate … because within a few days of her return to HSHV both she and her life-long buddy, Dozer, were adopted by a great family!

Now that is the happiest ending to a difficult situation … a new beginning for two old friends.

Thanks Hutch!

Coach Hutchins and Marley

Wolverine softball head coach and recent NFCA Hall of Fame inductee Carol "Hutch" Hutchins joined the Humane Society of Huron Valley this past winter to help find permanent, loving homes for homeless animals in need through our "Home for the Holidays" campaign.

Coach Carol Hutchins said, "I love my dog and it is my wish for every shelter animal to find a warm, safe and loving home, not just for the holidays, but for the rest of their lives."

Microchip ID Success!

A beautiful calico kitty was lost. Gone for months, the family had all but given up hope. Then a call from HSHV. "We think we have your lost cat." You see, the cat had microchip ID. And once she was brought to HSHV, the microchip led staff right back to her owners… even months later. Reunited with the help of technology!

This is a reminder to all of us … keep identification on your pet. Whether you choose a collar tag or a microchip, just choose something.

Get microchip ID at the HSHV Clinic today.
Call 662-4365 for information or to make an appointment.
The cost is only $30.

Did you move recently? Make sure to update your pet's ID tag or microchip provider. A microchip only works if it leads us to you.

The most common microchip providers are:

HSHV Clinic Celebrates National "Spay Day"

The Humane Society of Huron Valley (HSHV) participated in National Spay Day USA on February 27, 2007. Created by the Doris Day Animal League in 1995, this national campaign was developed to promote spay/neuter as a simple, humane and effective way to end the tragedy of euthanizing homeless pets.

Every hour in the United States thousands of kittens and puppies are born. While some end up in loving homes, tragically, many meet untimely deaths. Spaying or neutering is the most effective way to help reduce the number of unwanted cats and dogs.

One of the new poster campaigns running on the AATA buses encouraging people to spay and neuter their pets.

HSHV continues our low cost spay/neuter days which are scheduled to occur every other month. The HSHV clinic performed 219 cat spay/neuters in 2006 during the scheduled Spay Days. We hope to increase that number in 2007. During all of our Spay Days, the HSHV veterinary clinic performs cat sterilizations for a reduced price of only $30.

If you wish to make an appointment for an upcoming Spay Day, please call now as there are limited appointments available. All animals must be up-to-date on distemper and rabies vaccinations or these vaccines will be given at the time of surgery for $20 each vaccine.

Why Walk Alone?

Form a team for Walk & Wag! Here's what you'll get out of it:

More fun!
Gather friends, coworkers, family or a club to participate together. Have a great time by making it a team effort.

More prizes!
Walkers who join a team are eligible to win special team prizes in addition to individual prizes.

More good!
You can make a bigger impact on the lives of homeless animals by getting more people involved.

More competition!
Have a friendly rivalry in your office or sports club? Crush the opposition by raising more money than the other team. The real winners are the animals cared for every day by HSHV.

April is Anti-Cruelty Month

Help HSHV Fight Cruelty

- **Be aware**
  Look out for the animals in your neighborhood. HSHV relies on calls from concerned citizens.
- **Learn to recognize cruelty**
  Possible signs include:
  - animals with wounds, limps, missing hair.
  - owners who hit or physically abuse animals.
  - dogs left alone without food, water and shelter.
  - animals not given veterinary care.
  - animals that act fearful or aggressive when their owners approach.
- **Know who to call**
  In Washtenaw County, call HSHV 662-5585 x112.
- **Provide as much information as possible**
  When reporting animal cruelty, write down what you saw, who was involved, the date, time and location.
- **Fight for the passage of strong anti-cruelty laws**
  Contact your federal, state, and local legislators – visit the "links" page on our website www.hshv.org.
- **Set a good example**
  Always show pets the love and good care they deserve. Be responsible and have your pets spayed or neutered.
- **Talk to your kids**
  Education is one of the most powerful tools in preventing animal cruelty. The library is full of books that can help; a few good ones are listed below:
  - *Claude & Media* by Zoe Weil
  - *The Power and Promise of Humane Education* by Zoe Weil
  - *Above All, Be Kind: Raising a Humane Child in Challenging Times* by Zoe Weil
  - *So, You Love Animals* by Zoe Weil
  - *Tails Are Not for Pulling* by Elizabeth Verdick & Marieka Heinlen
- **Support HSHV and its Cruelty & Rescue efforts**
  Volunteer, donate money or supplies, and be an animal advocate in your neighborhood.

The dogs and cats send many wet kisses to all of the wonderful children who raised money and donated supplies for their needs!

Kids Are Making a Difference

Many bright young people realize that there are great needs in the world, but it's someone really special who decides to take action and make a difference. Ben Segaloff is a 10-year-old boy who went door to door in his neighborhood working odd jobs to raise a whopping $150 donation for the Humane Society of Huron Valley -- and Dana Rupp raised enough money for a $250 cage sponsorship to help provide food and medicine for shelter animals. Amit Khankara chose to do his Eagle Scout project for HSHV, handcrafting two beautiful wooden benches and a picnic table -- and raising all of the funds to do so.

We send a deeply heartfelt thanks to these three and all of the other young people who have made a difference in the lives of homeless animals. If they could, the animals would applaud!

A Nice Guy Can Finish First

Tigger is a nice, happy guy. You can tell by the playful bend of his ear. That is quite a surprising thing considering Tigger's early life. He was adopted as a baby, just 9 weeks old. And with most babies, Tigger needed and wanted attention. So he barked and barked - pretty common for puppies. Unfortunately, Tigger's owners felt the best way to handle this was to keep him in his crate with a box and many blankets over it. Out of sight, out of earshot, and out of mind.

Thankfully, Tigger was rescued by HSHV and put up for adoption. This time it was a bit harder to get a new home. At one and half-years-old, a male Terrier mix doesn't have the best odds. But Tigger is a lover (not a fighter). He won the hearts of staff and volunteers alike, spending much time in the Adoption Center socializing with everyone that came his way. Although in the shelter for over two months, Tigger eventually found a new loving home. Thanks to staff, volunteers and his new family, Tigger found a happy ending despite such a sad start. Tigger's story is a good reminder for all that puppies are a lot of work. They need time, attention and training.

Quiz: Are You HSHV-Savvy?

The Humane Society of Huron Valley is funded by...
A. The government
B. Michigan Humane Society
C. Humane Society of the United States
D. United Way
E. None of the above

If you answered E, come by the shelter for some extra puppy kisses! Most people are surprised to learn that HSHV is an independent non-profit that receives no support from the government or any other humane organization. We keep our doors open solely through support of donors like you!

Wanted: Foster Parent Volunteers!

With "kitten season" coming fast, HSHV needs foster homes for the many unwanted litters of kittens end up at the shelter. Usually too young for adoption, these babies need a temporary home in which to grow and socialize.

To find out more, visit www.hshv.org or contact Helen DePinto at 734-662-5585 ext. 113 or helen@hshv.org.

Benefits of Volunteering ...

- Lose weight ... by walking dogs
  Some volunteers have reported losing 20 pounds or more over several months of walking dogs a few hours a week.
- Relieve stress ... by cuddling cats
  Research shows petting animals reduces stress. Share your love and shed your stress by cuddling our shelter cats.

To find out more, visit www.hshv.org or contact Helen DePinto at 734-662-5585 ext. 113 or Helen@hshv.org

New Ads Drive Awareness

Take a look around town at the busses driving by and you might catch a glimpse of an exciting new ad campaign for the Humane Society of Huron Valley.

These eye-catching ads were designed by HSHV Marketing Director Deb Kern as a way to gain visibility for low cost spay & neuter, the Behavior Helpline and other services provided by HSHV.
